ABOUT

Project WILD & Aquatic WILD are interdisciplinary conservation and environmental education programs emphasizing wildlife. These programs are designed for K-12 formal and non-formal educators of all disciplines, and this workshop is tailored for Grades 1-5.

Connecting students to nature, scientific inquiry, bringing nature in the classroom, and giving students exploratory outdoor learning opportunities are focal points of Project WILD.

K-12 curriculum and activity guides for Project WILD and Aquatic WILD are supplied free of charge by the ODNR Division of Wildlife.
